Hi Bruce,

Thanks for the information. I received an email with 7 photos of BMPs installed at Black Eagle Estates. Is that correct?

I have not received the BMP photos or the SWPPP for White Oaks Park. Could you please send me the BMP photos and the SWPPP when you get a chance?

Also, attached is a table summarizing the dates and information we received from you on the January 30, 2015 call. Could you please verify that the information is accurate. Please let me know if you have any updates.

Also, could you please send me the updated SWPPP for Black Eagle Estates with the federal requirements?

Please provide the requested information by February 20, 2015.

Thanks,

Emilio Llamozas

Emilio... The start date at White Oak Park was around April 1, 2014. I had sent you the pictures of the erosion control measures we have in place in Mandaree, but I just got the email returned. I will resend them in multiple emails. Thx. Bruce.
